Review on the Annual Administration Report on the work of the Colonization Department, Haryana, for the period from 1st November, 1966 to 31st March, 1967.

The Department of Colonization started functioning with effect from 1952. On the reorganization of the State, 17 new and 11 old mandis came to the share of Haryana. The Colonization Department is concerned with the selection of sites for new mandis, acquisition of lands, assessment of demand for various categories of plots, selling them by holding public auctions after getting estimates of works prepared, collecting data for fixation of reserve prices, giving possession or sold plots to the purchasers,

Allowance. Other conditions laid down in the Haryana T.A. Rules for Government Employees will also apply to journeys performed provided.

2. As the appointment of the members of the Haryana Vidhan Sabha in their *ex officio* capacity of the Secretary, Haryana Vidhan Sabha, shall be controlling officer authorised to countersign their Travelling Allowances Bills. The expenditure involved in connection with the travelling allowance and daily allowance of the legislators (M.L.A.) shall be debited against the budget allotment of the Chief Engineer, Irrigation Works, under head "18-(A)(2)—Irrigation Establishment—Chief Engineer".

4. The Chief Engineer, Irrigation Works, Haryana, shall be the controlling officer authorised to countersign the Travelling Allowance Bills of the members other than M.L.A.s. The expenditure involved in connection with their travelling allowance and daily allowance shall be debit able to the "Head—18(a)(2)—Irrigation Establishment—Chief Engineer".

5. The Headquarters of the Committee will be at Chandigarh.

6. The duration of the Committee will be for two years and shall meet quarterly.

P. N. BHALLA, Secy.

OFFICE ORDER

The 4th September, 1968

No. 3837 Admn /854/47.—Shri Ram Parkash Chopra, Off. Superintendent, attached to the Haryana P.W.D., Irrigation Branch, is allowed under Rule 8.116 of the Punjab C.S.R., Volume I, Part I, earned leave for 75 days with effect from the forenoon of 6th September, 1968 to the afternoon of 19th November, 1968.

2. He is likely to return to his original post carrying the same pay and allowances, after the expiry of his leave.

3. He would have continued to officiate as Superintendent, had he not proceeded on leave.

B. S. BANSAL,
Chief Engineer,
Irrigation Project, Haryana,
Chandigarh.

scrutinizing the building plans, disposal of public complaints and applications, maintenance of accounts, recovery of balance of sale price in instalments and regulating the private building activity in the new mandis.

2. On reorganization of the State, the Director, Urban Local Bodies, Haryana, has been designated as a part-time Colonization Officer, Haryana, also. An Extra Assistant Colonization Officer, Haryana, in the H.C.S. Scale with supporting staff has been provided for the said Department.

3. In January, 1967, a New Mandis Township Control Board for the State of Haryana with the following members was set up :—

- (1) Administrative Secretary/Incharge of the Colonization Department .. Chairman
- (2) Colonization Officer, Haryana .. Secretary
- (3) Chief Engineer, P.W.D., B.&R. Branch .. Member
- (4) Chief Engineer, P.W.D., P.H. Branch Member
- (5) Senior Town Planner, Haryana .. Member
- (6) Secretary, State Agricultural Marketing Board, Chandigarh .. Member
- (7) A representative of the Finance Department, Haryana .. Member

The functions of the said Board are as under :—

- (i) Selection of site for a new mandi after the Government has taken decision to establish a mandi at a place.
- (ii) Decision regarding the size of the mandi townships including residential, industrial and shopping centres.
- (iii) To decide the scale of development in a mandi and to fix priority of development works to be carried out in each mandi township.
- (iv) Approval of financial statements and according administrative approval to the various development works to be carried out in mandi townships.
- (v) Fixation of the reserve prices of plots of various categories in mandi townships.
- (vi) Review of each auction and to approve the price for various categories of plots in the auction.
- (vii) Fixation of prices to be charged for allotment of land in mandi townships for religious, cultural and other purposes from religious and cultural institutions, Government Department, Municipal Market Committee, State Warehousing Corporation, etc.

The decisions of the said Board on administrative side are implemented by the Colonization Officer, Haryana, while on the works side, the decisions are carried out by the Chief Engineer, P.W.D., B.&R. and P.H.

CHANDIGARH :

ISHWAR CHANDRA, Secy.

The 14th May, 1968.

COLONIZATION DEPARTMENT

The Department of Colonization came into existence with effect from 1952. As many as 17 new Mandis were created by the Government on reorganization. Government also took over the administration of the princely States in Jind and Mohindergarh. On 1st November, 1953, the Colonization Department by the Government of erstwhile Punjab was taken over. It did not take effect as it was held by the High Court that the Colony could not be legally dissolved.

2. In the New Mandi the functions of the mandi are, both residential and commercial, have been taken over. The Department worked on commercial lines but has yet to take action in respect of the following:

- (i) Framing and enforcement of building by-laws and preparation of architectural control sheets.
- (ii) Framing and enforcing of water by-laws.
- (iii) Regular recovery of instalments. Imposition of penalties in case of defaults and recovery of arrears by coercive methods.
- (iv) Execution and registration of sale deeds.
- (v) Proper utilisation of un-utilised lands not needed immediately for mandi purposes.
- (vi) Maintenance of proper accounts and the preparation of *pro forma* accounts.
- (vii) Speedy execution of development works in the various mandis.
- (viii) Taking charge of the very valuable properties in the old mandis.

3. Before reorganization there were whole-time Colonization Officer and Extra Assistant Colonization Officer in the Department but after reorganization, the work of Colonization Officer was entrusted to the Director, Urban Local Bodies-cum-Director, Town and County Planning. On reorganization a whole-time post of Extra Assistant Colonization Officer with a special pay of Rs. 50 per mensem was provided in Hissar. The Deputy Director, Town and Country Planning, has been entrusted with charge of Extra Assistant Colonization Officer, in addition to his duties.

4. Many important functions such as relative to maintenance of works, enforcement of building by-laws which have now been framed and published, supply of water from Mandi tanks, networking to the adjoining Municipal or Panchayat areas, finalization of the various documents, maintenance of accounts, preparation of *pro forma* accounts and survey of new areas, etc., in regard to lands require the immediate attention of the Department. There is therefore need for adequate staff, particularly a whole-time Extra Assistant Colonization Officer and additional enforcement staff headed by a Tahsildar.

Report on the work of the Colonization Department, Haryana, for the period from 1st November, 1965 to 31st March, 1967.

INTRODUCTION

With the advent of Bhakra-Sutlej System of Canals and consequent irrigation of vast areas it was felt that the existing property in the irrigated areas could not provide adequate facilities for the marketing of the Agricultural produce. The establishment of Warehouses, Granaries, Oil Mills and Milling Factories, etc., was also considered necessary. To achieve these objectives, the Colonization Department started functioning with effect from 1st March, 1952, with the Deputy Commissioner, Hissar, as the whole-time Colonization Officer. On 9th November, 1953, the first whole-time Colonization Officer was appointed and the headquarters of the Department were shifted to Ambala. Later the headquarters were taken to Jullundur and were transferred to Chandigarh in 1966.

2. On reorganization of the State the following 17 new and 11 old mandis came to the share of Haryana. The whole-time Urban Local Bodies-cum-Director, Town and County Planning was entrusted with charge of Colonization Officer. He was to be assisted by a whole-time Extra Assistant Colonization Officer but as a measure of economy, the Deputy Director, Town and County Planning, worked as such in addition to his duties. Only a skeleton staff as per Annexure 'A' was sanctioned and allocated on reorganization. The office continued to be housed in a rented building on floor No. 2, Shop-cum-Flat No. 12, Sector 17, Chandigarh.

ADMINISTRATION

3. During the period under report, the department remained under the charge of Shri S.N. Bhanot, I.A.S., Director, Town and Country Planning and Colonization Officer, Haryana, and under the administrative control of Shri R.N. Chopra, I.A.S.; Commissioner, Agriculture/Production and Development,

GENERAL

During the period under report no New Mandi Township was established though the case of Narwana Mandi remained under the active consideration of the Department. A statement, showing the names of the new Mandis established hitherto, areas acquired for the purposes, area planned, Flats/Booths/Shops laid and sold out so far and position about the development works approved and carried out is at annexure 'B'. The mandis are at different stages of development ; some have come up fully, in some there appears to be little demand for plots, while in others the progress has been slow. Thus New Mandis can be placed in the following three categories :

(a) Mandis which are prosperous and in which demand for more plots has been noticed.

1. Sirsa
2. Fatehabad
3. Bhattu Kalan
4. Adampur
5. Kalanwali
6. Hansi

(b) Mandis whose success is not in doubt but for various reasons they have not been adequately developed so far.

1. Dabwali
2. Tohana
3. Ellenabad
4. Kaithal
5. Kalayat
6. Guhla
7. Pehowa
8. Hissar
9. Barwala

(c) Mandis which do not appear to have good prospects for development.

1. Bhiwani Khera
2. Narwana

The prospects of the mandis at Narwana and those mentioned at (b) above coming up have brightened in the newly created State of Haryana.

After Re-organisation a new control Board for new Mandi Townships, Haryana was to be constituted. Hence no meeting of the Board could be held during the period under report.

AUCTIONS

Further plots could not be auctioned in any of the Mandi Towns falling in Haryana during the period under report on account of various problems which the new State had to face during this transition period.

A sum of Rs. 2,17,130 was realised on account of balance of sale price of plots, during the period under report

TEMPORARY LEASES

Lands in the New Mandis not immediately required for development, was leased for Agricultural purposes for one year (1966-67) by open auction before

1st November, 1966. It brought an income of Rs. 79,430. The break up is as under :—

Serial No.	Name of Mandi	Area leased out	Amount of money received			
			A	K	M	Rs
1	Ellenabad	..	312	6	12	8,930
2	Sirsia	..	185	3	18	1,560
3	Kalanwali	..	334	1	0	11,885
4	Adampur	..	102	3	4	4,415
5	Tohana	..	123	5	0	3,475
6	Barwala	..	382	5	18	17,525
7	Fatehabad	..	28	7	17	675
8	Bhattu Kalan	..	112	6	18	3,080
9	Dabwali	..	93	1	10	9,795
10	Bhawani Khera	..	45	4	2	865
11	Guhla	..	189	6	12	4,430
12	Pehowa	..	68	1	19	2,275
13	Kaithal	..	127	0	12	10,310
14	Kalayat	..	4	4	16	210
Total		..	2111	3	18	79,430

It was considered that short term leases bring nominal lease money. Also, the short term leases cannot take full benefit of the lands and as a consequence the food production also suffers. It was, therefore, decided to lease out the lands for long terms, say three years, from the year 1967-68 onwards well in time before the start of agricultural year. This will, it is hoped bring 3 to 4 times the lease money realised during the current year and will also result in increased production.

LAND ACQUISITION

No compensation for land acquired was disbursed during the period under report or to satisfy court decisions.

FINANCIALS

A provision of Rs. 3,83,000 was made in the schedule of New Expenditure for the period under report to meet charges on works and Rs. 30,920 for establishment. The actual expenditure was Rs. 4,02,60 and Rs 23,68 respectively, against a total income of Rs. 2,17,130.

LEGISLATION

Building by-laws were finalised and sent to Government for publication. Draft water By Laws are being prepared.

PROBLEMS AND SUGGESTIONS FOR IMPROVEMENT

Due to re-organisation of State, the newly born Haryana State had to face many problems in all spheres and this department was no exception.

ENCROACHMENTS

Lands and sites were reported to have been encroached upon in almost all the Mandi Towns. The Department tightened its control and started a campaign for their vacation.

As a first step, demarcation of mandi lands with the cooperation of B & R authorities, was taken up. The pace of development work was accelerated and building activities in the Mandi Townships will be given a push after the publication of Building By-laws.

(ii) It was considered that the failure of the Market Committee to declare the New Mandis as the Principal Market Yard retarded their development. Individual cases are being taken up with State Marketing Board.

MANDI DABWALI

Before closing, a mention of mandi Dabwali is necessary. This town with a Municipal Committee lies just on the border of Ferozepore District. Actually, a big portion of abadi lies in the jurisdiction of that District. The water supply, sewerage works, college and one Ginning Cotton Factory lie in Punjab, Government has been moved to draw up a case for readjustment of boundries.

The Department is taking all out steps to over-come the difficulties particularly with relation to the development of mandis such as those at Dabwali, Guhla, Pehowa and Narwana. The first three are near the Punjab -Haryana Borders and have typical problems of their own. Dabwali has a major problem mentioned above. Besides adjustment of boundries measures necessary for efficient and uninterrupted functioning of the above-mentioned services will have to be adopted in consultation with the Punjab Government.

ANNEXURE 'A'

Statement showing the posts and the Officials fallen to share of Colonization Officer, Haryana

Serial No.	Name	Designation
